E. If the Recipient expends less than \$500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the Recipient expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provision of Section 215.97, F.S., the cost of the audit must be paid from the Nonstate entity's resources (i.e., the cost of such an audit must be paid from the Recipient's resources obtained from other than state entities).

- (4) Be provided by Recipient one copy of each financial reporting package prepared in accordance with the requirements of Section 215.97, F.S. The financial reporting package means the nonstate entities' financial statements, Schedule of State Financial Assistance, auditor's reports, management letter, auditee's written responses or corrective action plan, correspondence on follow-up of prior years' corrective actions taken, and such other information determined by the Auditor General to be necessary and consistent with the purposes of Section 215.97, F.S.
